

TECHNICAL DATA SHEET

Page 1/1

Melpers RH4

900.913.202

Formula: [NH₄SO₃NH₂]

Synonym: Ammonium sulfamate
Ammonium sulphamate
Ammonium sulfamidate
Monoammonium sulfamate

CAS-No.: [7773-06-0]

Mat-No.: 1001.4304

Specification: Assay: min. 98 %

Packaging: 25 kg net in polypropylene bags

Storage: Store under dry ambient conditions at room temperature in original packaging. See Material Safety Data Sheet.

Stability: It is recommended to use material within 2 years.

This information and all further technical advice is based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried out only by qualified experts in the sole responsibility of a customer. Reference to trade names used by other companies is neither a recommendation, nor does it imply that similar products could not be used.

Edition: November 2011 / This data sheet supersedes all previous data sheets for this product.
